Without limiting BIOSITE's other rights hereunder or in an Agreement, if BIOSITE terminates the Agreement pursuant to this Clause 9.2, Customer will pay any unpaid fees covering the remainder of the current Term. BIOSITE reserves the right to terminate an End Customer's use of SaaS or of a License to Software or Product(s) in the event that End Customer breaches an obligation set forth in an Agreement between BIOSITE and the End Customer, as applicable, and fails to cure such a breach within thirty (30) days after BIOSITE sends written notice of such breach is such breach is capable of being cured, or immediately if the breach is not capable of being cured.

Expiration or termination of the Agreement will not terminate any outstanding quotes, purchase orders, statements of work, and the terms of the Agreement shall survive any termination for the duration of the term of such quotes, purchase orders, statements of work.

9.4. **Effect of Termination.** Upon any expiry or termination of the Agreement, all rights granted to Customer in relation to the Services will immediately cease and Customer shall cease using the licensed Service, or if Customer should otherwise discontinue using the licensed Service, Customer shall destroy all copies of the Documentation and any related materials in any form.

10. CONFIDENTIALITY

10.1. **Confidentiality.** Customer agrees to maintain and protect all Confidential Information and keep it confidential using the same degree of care that it exercises with respect to its own information of like importance but in no event less than reasonable care, and may use it only for the purposes for which it was provided hereunder or under an Agreement. Except as expressly provided in an Agreement, Confidential Information may be disclosed only to Customer's employees or contractors obligated to Customer under similar confidentiality restrictions and only for the purposes for which it was provided. These obligations do not apply to information which: (a) is rightfully obtained by Customer without breach of any obligation to maintain its confidentiality; (b) is or becomes known to the public through no act or omission of Customer; (c) Customer develops independently without using Confidential Information of BIOSITE; or (d) only to the extent and for the purpose of disclosing such Confidential Information in response to a valid court or governmental order, and if Customer has given the BIOSITE prior written notice and provides reasonable assistance so as to afford it the opportunity to object or obtain a suitable protective order.

10.2. **Remedy for Breach.** Because of the unique nature of the Confidential Information, each Party agrees that the disclosing Party may suffer irreparable harm in the event the recipient fails to comply with its confidentiality obligations under the Agreement, and that monetary damages will be inadequate to compensate the disclosing Party for such breach. Accordingly, the recipient agrees, notwithstanding Clause 11.7, that the disclosing Party will, in addition to any other remedies available to it at law or in equity for breach of this Clause 10, be entitled to seek injunctive relief in any court of competent jurisdiction to enforce such confidentiality obligations.

11.2. **Compliance with Law.** Each Party shall comply with all applicable laws, ordinances, rules and regulations, and shall obtain any and all permits, licenses, authorization, and/or certificates that may be required in any jurisdiction

Whenever reasonably requested by BIOSITE, Customer will provide BIOSITE with a written certificate, in a form acceptable to BIOSITE, of continuing compliance with this Clause. In addition, BIOSITE maintains the right to request and review records or other documents from Customer, to confirm Customer's compliance with the terms of this Clause. Customer shall cascade the contractual obligations set forth in this Clause 11.3 in contracts with third parties further down the commercial chain and set up and maintain adequate monitoring mechanisms to detect conduct by any third parties further down the commercial chain, that would frustrate the purpose of this clause.

11.4. Independent Contractor. Nothing in the Agreement is intended to create a partnership, franchise, joint venture, agency, or a fiduciary or employment relationship. Neither Party may bind the other party or act in a manner which expresses or implies a relationship other than that of independent contractor. Except as otherwise set forth herein, each Party shall bear its own costs and expenses of performance herein.

11.5. Third Party Rights. These Terms do not confer any rights on any person or party (other than the parties to

this agreement and, where applicable, their successors and permitted assigns) pursuant to the Contracts (Rights of Third Parties) Act 1999.

11.6. Governing Law. This Agreement, and all disputes, claims, or causes of action that may be based upon, arise out of, or relate to this Agreement, or the negotiation, execution, or performance of this Agreement shall be governed by and construed in accordance with the laws of England and Wales, without giving effect to its provisions of choice of law. The United Nations Convention on Contracts for the International Sale of Goods will not apply to this Agreement.

11.7. Sale of Goods. In view of the express commitments given by BIOSITE in these Terms, the terms implied by sections 13 to 15 of the Sale of Goods Act 1979 and sections 3 to 5 of the Supply of Goods and Services Act 1982 are, to the fullest extent permitted by law, excluded hereunder and from an Agreement.

11.8. Arbitration. Any dispute arising out of or in connection with this Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration under the London Court of International Arbitration (LCIA) Rules, which Rules are deemed to be incorporated by reference into this Clause 11.8. The number of arbitrators shall be three. The seat, or legal place, of arbitration shall be London, England. The language to be used in the arbitral proceedings shall be English.

The information concerning any dispute arising out of or in connection with these Terms or an Agreement, including any arbitral award, shall remain confidential, save that either Party may disclose such information if necessary to exercise its rights under these Terms or an Agreement, any arbitral award or due to regulatory requirements.

11.9. Assignment. These Terms and an Agreement will be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns; provided, however, that neither Party shall assign any of its rights, obligations, or privileges (by operation of law or otherwise) hereunder without the prior written consent of the other Party. Any attempted assignment in violation of what is set forth above in this Clause 11.9 will be void.

11.10. Delays and Force Majeure. BIOSITE shall notify Customer as soon as reasonably possible of any delays in the scheduled delivery, and Customer agrees that BIOSITE cannot be held liable in any manner whatsoever for such delays as a result of Force Majeure. Neither Party shall be liable for failure to fulfil its obligations (other than payment obligations) hereunder or under an Agreement issued hereunder or for delays in delivery due to Force Majeure. The time for performance of any such obligation shall be extended for the period lost because of the event of Force Majeure.

11.11. Notices. Notices concerning these Terms or an Agreement shall be in writing and shall be given or made by means of certified or registered mail, express mail or other overnight delivery service, or hand delivery, proper

postage or other charges paid and addressed or directed to the respective Parties to their respective addresses.

11.12. Severability. If any provision of these Terms or an Agreement shall be held by a court of competent jurisdiction to be wholly or partly invalid or contrary to law or public policy, the validity of the Terms or an Agreement as a whole shall not be affected and the remaining provisions shall remain in full force and effect. To the extent that such invalidity materially affects a Party's benefit from, or performance under, these Terms or an Agreement, it shall be reasonably amended.

11.13. Survival. Terms and conditions which by their nature extend beyond the Term shall survive the termination or expiry of these Terms or an Agreement, including Customer's obligations under Clauses 2, 6, 7, 8, 9, 10 and 11. Customer's obligations to pay fees or charges due and payable at the time of expiry or termination, or which become due and payable thereafter, shall survive the termination of these Terms or an Agreement or any addenda hereto.

11.14. Waiver. No term or provision hereof shall be deemed waived and no breach consented to or excused, unless such waiver, consent or excuse shall be in writing and

signed by the Party claimed to have waived or consented. Should either Party consent, waive, or excuse a breach by the other Party, such shall not constitute consent to, waiver of, or excuse of any other different or subsequent breach whether or not of the same kind as the original breach. Notwithstanding the foregoing, provisions on complaints and limitation periods, such as in Clause 7 hereof, shall apply.

11.15. Entire Agreement. These Terms and an Agreement including all Attachments, Exhibits and schedules constitute the entire understanding and agreement between the Parties hereto with respect to the subject matter of these Terms and Agreement(s) and merges and supersedes all prior communications, understandings and agreements, written or oral, and no amendments shall become effective without written agreement signed by the Parties hereto. Each Party acknowledges that in entering into these Terms it does not rely on any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out herein. Each Party agrees that it shall have no claim for innocent or negligent misrepresentation based on any statement herein.

EXHIBIT A – ORDERS

1. **Orders.** Until accepted as described in this clause 1, an Order does not oblige BIOSITE to fulfil Orders or maintain pricing. An Order is a contractual offer by the Customer to purchase the Products and Services as set out in the Order and on these terms. If BIOSITE has issued a quotation to the Customer, the parties agree that the Customer's Order, and therefore the Customer's contractual offer, incorporates the details of the BIOSITE quotation, unless otherwise agreed between the parties in writing. An agreement for the Products and Services is binding only when an Order is accepted by BIOSITE. Acceptance of an Order happens when BIOSITE expressly notifies Customer that the Order is accepted or when BIOSITE begins to provide or make available any Products or Services, whichever is earlier. The parties agree that these terms apply to the Agreement to the exclusion of any other terms that the Customer seeks to impose or incorporate (whether through its standard documentation or otherwise), or which are implied by law, trade custom, practice or course of dealing.
2. **Purchase Orders.** If the Customer desires to use purchase orders, the Customer must issue purchase orders in good time to allow BIOSITE to reference the purchase orders in the manner desired by the Customer. BIOSITE accepts purchase orders only to facilitate Customer internal procedures. Whilst a purchase order may constitute an order, the lack of any purchase order will not have any effect on the binding status or terms of the agreement if the Customer has submitted its Order (and therefore its contractual offer) via any other written means.
3. **Accuracy of orders.** The customer is responsible for the accuracy of an Order (regardless of whether or not that Order incorporates a BIOSITE quotation) and providing all information necessary for BIOSITE to perform the Agreement. Any inaccuracy in an Order, information or statement provided by the Customer, that results in the delay or inability of BIOSITE to provide the Products and/or Services, will result in an adjustment to the fees payable by the Customer.
4. **Booking process.**
 - 4.1. Upon acceptance of an Order, the parties will confirm, in writing, a date for the commencement of the services detailed in that order (a "booking"). Allocation of resources by BIOSITE for the services, will only take place once a booking has been confirmed.
 - 4.2. After a booking is confirmed, any cancellation or rescheduling of a booking by the customer, within three (3) working days prior to the agreed date for the commencement of the services, will result in the customer paying to BIOSITE a proportion of the fees as follows. Where a cancellation or rescheduling of the Services by the customer has taken place:
 - 4.2.1. on the day of the agreed date for the commencement of the Services, the customer shall pay to BIOSITE 100% of the fees estimated/quoted for the booking.
 - 4.2.2. within 1 Working Day prior to the agreed date for the commencement of the Services, the Customer shall pay to BIOSITE 75% of the fees estimated/quoted for the booking.
 - 4.2.3. Within 2 Working Days prior to the agreed date for the commencement of the Services, the Customer shall pay to BIOSITE 50% of the fees estimated/quoted for the booking.
 - 4.2.4. Within 3 Working Days prior to the agreed date for the commencement of the Services, the Customer shall pay to BIOSITE 25% of the fees estimated/quoted for the booking.
5. **Quotes.** Any quotation or estimate given by BIOSITE shall not constitute an offer and is only valid for a period of 30 days from its date of issue unless otherwise specified by BIOSITE in writing.

EXHIBIT B – HARDWARE HIRE

1. **Hire.** If Hardware hire is included in the Agreement, BIOSITE shall hire the Hardware to the Customer for use at a site specified by the Customer to the terms and Conditions of the Agreement. The Hardware shall at all times remain the property of BIOSITE, and the Customer shall have no right, title or interest in or to the Hardware (save for the right to possession and use of the Hardware subject to the terms and conditions of the Agreement).
2. The Order will state the minimum period of Hardware Hire or equipment rental.
 - 2.1. If the Customer wishes to extend the minimum period of Hardware Hire, the Customer must notify BIOSITE no less than 14 days prior to the end of the Hardware Hire period and provide relevant authority to purchase.
 - 2.2. BIOSITE will, in any event, contact the customer on or before 14 days prior to the end of the Hardware Hire period to schedule collection of the Hardware.
- 2.3. Should the Customer delay collection beyond the Hardware Hire, the Customer is obliged to pay excess rental charges up to the collection date.
- 2.4. If the Customer wishes to terminate Hardware Hire before the minimum period stated in the Order, the Customer will be liable for the total charges up to the minimum period stated.
3. The risk of loss, theft, damage or destruction of the Hardware shall pass at delivery. The Hardware shall remain at the sole risk of the Customer during the period of hire and any further term during which the Hardware is in the possession, custody or control of the Customer until such time as the Hardware is redelivered to BIOSITE.
4. For any Hardware which is hired, the Customer must:
 - 4.1. take care of, store and operate the Hardware in accordance with BIOSITE instructions; any documentation supplied with the Hardware; and, in accordance with good industrial practice;

- 4.2. insure the Hardware against loss or damage and for normal insured perils;
- 4.3. not relocate or part with possession of the Hardware except with the prior written consent of BIOSITE;
